Subject: **LAND OWNERSHIP STATUS OF BUS DEPOTS, KARACHI MOBILITY PROJECT, YELLOW LINE BRTS**

As you are aware, detailed design and construction supervision consultants have been hired, and the design phase has begun. Accordingly, in the preliminary design of the project, two bus depots, i.e., one at Dawood Chowrangi and the other at Indus Hospital, have been earmarked to serve the Yellow Line BRT. Now the consultants are on board and have requested to have clear possession of the proposed land, which ideally be vacant and in physical possession, including all benefits, rights, titles, interests, privileges, utilities, appurtenances, and easements enjoyed or attached to the property, with a clear, valid, subsisting, and marketable title free of all encumbrances, charges, taxes, dues, duties, burdens, mortgages, liens, ground rent, premiums, disputes, and litigation of any kind. It should be free of all encumbrances before entrusting the contractor with the land.

2. It is, therefore, requested that all pertinent legal documents establishing that the land belongs to the Transport and Mass Transit Department, GoS may be provided to us so that further action may be taken accordingly.
